(Please print neatly in ink or type responses)

CBC Estimate No: _____ Date: _____
Project Name: _____
Project Location: _____

General Material Package Description: _____

Company Name: _____

Company Location & Phone: _____

Estimator Name & Phone: _____

Authorized Agent Name & Phone: _____

1. We hereby propose to furnish all materials and related appurtenances including applicable Sales/Use Taxes, and delivery (FOB Jobsite) as necessary to provide a complete _____
General Material Package Description

(i.e. Window, Door, Finish Hardware, Bath Accessory, Lumber Package, etc.)

supply job per the Project Bid Documents enumerated in detail below, for the Stipulated Lump Sum Total Price of _____
and no/100 dollars (\$ _____ .00)

2. We hereby represent that the Stipulated Lump Sum Total Price given above includes any/all applicable Sales/Use Taxes required within the jurisdiction of the Project site. More specifically, the rate we have applied for the included applicable Sales/Use Taxes is _____ percent (_____ %).

3. We hereby provide alternate pricing items as required by the Bid Documents and/or voluntarily offered relating to our proposed price and scope of services: (Fill in the space below with N/A for Not Applicable, or make specific reference to a related document provided as a Bid Attachment.)

4. We hereby provide unit pricing items as required by the Bid Documents and/or voluntarily offered relating to our proposed price and scope of services: (Fill in the space below with N/A for Not Applicable, or make specific reference to a related document provided as a Bid Attachment.)

5. We hereby certify that our Bid (price and terms) is based upon all of the Bid Documents in their entirety as enumerated below, with only the following expressed clarifications and/or exceptions: (Fill in the space below with N/A for Not Applicable, or make specific reference to a related document provided as a Bid Attachment.)

6. We hereby represent that our Bid includes quantities sufficient to fulfill the project requirements for the products quoted in accordance with the Bid Documents enumerated below.

7. We hereby represent that our Bid includes materials of a nature and quality that meet or exceed the project requirements in accordance with the Bid Documents enumerated below.

8. By submitting this Bid, Vendor is representing that it is duly registered to sell materials/product at the location of the Project site, and is properly set up in accordance with governing laws and regulations applicable to this location for the collection and proper remittance of Sales/Uses Taxes.

9. We hereby acknowledge receipt and review of the Project Bid Documents enumerated as follows:

a) CBC MEMORANDUM TO INTERESTED BIDDERS dated _____ in its entirety, including all exhibits/attachments referenced therein.

b) The Drawings dated _____

c) The Specifications dated _____

d) Architect/Owner Addenda Numbers: _____

e) CBC Bid Bulletin Numbers: _____

10. By submitting this Bid, Vendor represents that it has familiarized itself with the Project's and Capstone Building Corp's insurance requirements and that this Bid includes any/all necessary measures to meet these requirements. If Vendor will have any of its own personnel on the project at any time for any reason, then Vendor will be subject to the Project's and Capstone Building Corp.'s insurance requirements. Such measures include without limitation; a) providing all coverages required at or in excess of the minimum stated limits; b) naming of Capstone Building Corp. and Owner related entities as Additional Insureds (except for Worker's Comp); and c) statement of Waiver's of Subrogation in Favor of Capstone Building Corp. If Vendor will not have its own personnel on site at any time, then Vendor will be required to submit for the record a sworn statement to this effect acceptable to Capstone Building Corp.

11. By submitting this Bid, Vendor acknowledges that it is familiar with OSHA safety standards relating generally to construction projects and more specifically to any/all safety standards relating to the fulfillment of the work covered by this bid, and expressly agrees to comply with the OSHA safety standards applicable to this project.

12. This Bid in its entirety is good and valid for a minimum of thirty (30) calendar days from the latter of the date of this Bid, or the published CBC Sub/Ven Bid Deadline for the project. Adjustments to the price, basis and/or extensions of the date through which the Bid is still valid, may occur only through mutual written consent of the Subcontractor and CBC.
